writing hemp & CBD Insurance in all  
**50 STATES**

## Our products

**CRB's insurance coverage protects business across every sector to the Cannabis / Hemp / CBD space.**

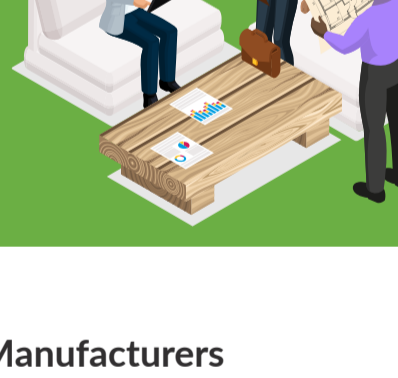

## Access to Markets

CRB Insurance has access to EVERY insurance company currently writing business in the Cannabis/Hemp/CBD space. Most insurance is sold by retail agencies that place business through a wholesale broker. We ARE the wholesale broker allowing you to go straight to the source, skipping the agent fees!

**One application** will gather quotes from **EVERY** Company, saving your time.

**CRB Insurance** has the ability to write every line of insurance, including Property, Liability, Workers Compensation, Commercial Auto, Umbrella, Crime, Cyber & D&O / Professional Liability.

**Our goal is to provide our customers top-quality comprehensive coverage at the lowest cost**

**Cultivators**  
Protect your plants, equipment, property and income.

**Processors & Manufacturers**  
Protect your equipment, property, professional and general liability, including product liability and product recall.

**Dispensaries**  
Protect your property, income & inventory. Also protect yourself from product defects.

**Laboratories**  
Standard business insurance PLUS professional liability against false accusations or errors.

**Transportation & Delivery**  
From seed to sale, the cannabis industry is constantly in motion and we've got you covered.

## Workflow

**Guarantee**  
We automatically shop your insurance coverage every year with every carrier

**Audits**  
We work directly with you on all audits, ranging from sales to payroll

**Our Clients**  
Our clients range from small start-ups to some of the largest companies in the industry.

**Experience**  
From our founder to our staff, every employee has the knowledge and skill set to deliver a comprehensive insurance plan at the lowest cost.
